www.stbernardchristianacademy.com

I am a student at St. Bernard Christian Academy and I accept and agree to the following rules as to the use of any Internet connection through the computers at St. Bernard Christian Academy.

First, I realize that the primary purpose of the Internet connection is educational and that, as a result, school purposes will receive higher priority over any other uses by me.

Second, I realize that the use of the Internet is a privilege granted to me by St. Bernard Christian Academy, not a right. Further, I accept that inappropriate behavior may lead to penalties, including but not limited to the revoking of the school's Internet account, disciplinary action by the school as it may deem fit, and/or legal action by the school or any third party. I further agree to refrain from inappropriate games or jokes according to the philosophy of St. Bernard Christian Academy (including, but not limited to, the production of any such inappropriate material or documents).

Third, I agree not to use the school's computers to participate in the transfer of material that is criminal, subversive, treasonous, libelous, defamatory, invasive of privacy, or contrary to or inappropriate according to the philosophy of St. Bernard Christian Academy.

Fourth, I agree not to allow other persons to use the school's Internet account; nor will I give anyone my password to my account.

Fifth, I accept full responsibility for the result of any of my actions in using the Internet connection of St. Bernard Christian Academy.
